MILESTONES

In the 60's , the Marcoux family, settles in Argelès sur Mer and buys a small campsite (2 hectares) and L'Etoile d'Or is born...

In the 70's, the campsite opens a grocery and a restaurant and a swimmingpool, one of the first in Argelès sur Mer.

The first mobilhomes are installed in 1976, a new area starts, a new way of holidays.

Little by little, the tents are less present and are replaced by mobilhomes, more services, shops, sportsfacilities,...

In the 90's, the campsites become little villages with sanitary blocks, bar-restaurant, laundry, infirmary,... 2000 ; changes our vision of living, taking care of ourselves and we open a bigger swimming area, playground, sportsarea, animations, kids and teensclub but also respect of nature (solarheated sanitary block) eco-friendly...

Now it is time to write the next lines of our story with you...
